XXIV Auction Sale

— OFFICE OF —

Geoffrey Charlton Adams

NUMISMATIST

New York, U. S. A.

DEAR SIR:

In this Sale the XXIV that we have held in New York City will be found as miscellaneous a lot of coins and medals as we believe we have ever offered. There are so many collectors at present engaged in that delightful pastime, that we have had to prune our lists somewhat which accounts for our not having had any November Sale. We had reached a point where we had to know where we were "at" as regards number of catalogues that were needed, but now we are all right again and a nice lot of stuff is herewith offered to you. We wish to thank the whole Numismatic World for the overwhelming evidence of appreciation that it furnished us in the matter of the "Coin Cabinet," our little magazine that came out November 1st. The whole edition of one thousand copies was exhausted immediately and there is scarcely a collector of note in the United States that is not on our list of subscribers. The next issue will be out January 1st, and will contain several most interesting articles written by prominent numismatists.

Very truly yours,

GEOFFREY CHARLTON ADAMS.
